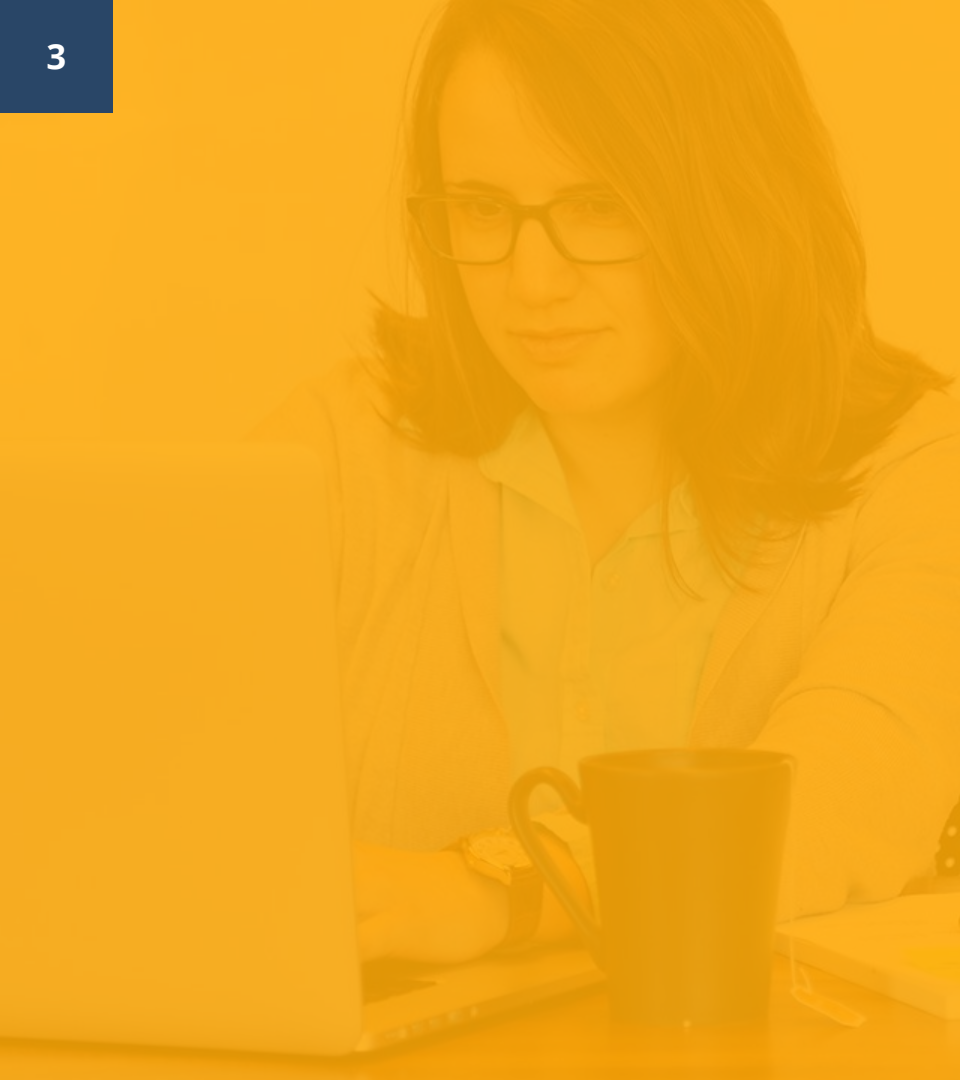
[GestorPsi]

Gestor Psi

Integrantes

Os integrantes da equipe responsável pelo Gestor Psi na disciplina de Manutenção e Evolução de *Software* da Universidade de Brasília *campus* Gama estão listados na tabela abaixo.

Nome	*GitHub*
Renata Soares	renatasoares
Laércio Silva	laercios
Mateus Manuel	mateusmanuel
Paulo Markes	ShutUpPaulo
Flávio Costa	SkiNgK
Vinicius Bandeira	viniciusbandeira



Sprint 0

Sprint 0

A *Sprint* 0 tem início no dia 21/03/2017 e conclusão no dia 25/03/2017. O objetivo dessa *sprint* é iniciar a colaboração com o projeto com *issues* mais simples para que a equipe possa avançar gradativamente.

Backlog da *Sprint* 0

Issues	Responsáveis
Corrigir design da pagina de registro de usuário	Laércio Silva, Vinicius Bandeira e Flávio Costa.
Mostrar mensagem de campo obrigatório antes de completar o cadastro	Laércio Silva, Vinicius Bandeira e Flávio Costa.
Visual da Agenda	Mateus Manuel, Renata Soares e Paulo Markes.

```
